

COLOURED CLOTHING EQUIPMENT & FOOTWEAR POLICY

CLOTHING (COLOURED), EQUIPMENT, FOOTWEAR POLICY

All teams participating in Country Cricket programs must wear clothing as specified by the Country Committee of Management. Clothing must be approved prior to playing by Country Cricket NSW. In all white ball cricket, batting pads must be covered in coloured batting clads, or as determined by the Country Committee of Management.

Zone and sponsors logos may be displayed on the front of the playing shirts up to 100sq cm in area respectively or on the sleeves of the playing shirts. Players are only permitted to wear the cap of the Club/Association they are representing, or alternatively, a white cricket hat.

Attention is drawn to the requirements of some ground authorities that do not permit the use of non-spiked footwear on turf wickets. Visiting teams are advised to contact Host Authorities to ascertain footwear restrictions.
